

GME Summit West  
November 1 – 3, 2015  
Denver Colorado

***Thank You***

# Cultivating Enthusiasm for GME Reform

- Gayle Wilensky
  - What is that we're getting for 15 Billion dollars?
  - The Money? Get it right or give it back
  - We needed a lot of slop in the system when the rate of uninsured was higher

# Cultivating Enthusiasm for GME Reform

- Scott Shipman
  - I stay arms length from the advocacy department at the AAMC, Mainly out of self preservation
  - Coming from the AAMC I thought of wearing a Darth Vader Mask
    - It would have been scarier if I wore an Atul Grover Mask

# Cultivating Enthusiasm for GME Reform

- Freddy Chen
  - Complexity Freezes Advocacy
  - A Three-pager is not a One-pager

# Cultivating Enthusiasm for GME Reform

- Fitzhugh Mullen
  - Myth – with the IOM everyone loses
  - What don't you like about the IOM report? What do you want to do about geographic and specialty mal distributions etc. etc. etc.
  - Lou Sanner – “Can we do the big complex thing?”
  - Fitz – “I wish you had a simpler question”

# Cultivating Enthusiasm for GME Reform

- Stan Kozakowski
  - On the hill, there is a general lack of understanding about how GME works

# Cultivating Enthusiasm for GME Reform

- Free standing ED proliferation issue
  - 2 daughters seen
    - Bill \$8000
    - After insurance \$5000
- The CEOs are doing their job
- Our job is to change the playing field
